

Almi X100 Belt Driven Pipe Notching Machine

Stock Code: 17109

The renowned Almi belt driven pipe notching machines have been expanded to include the all new High Speed X100 model. With its powerful 4kw motor and fast belt speed of 40 m/sec this machine can notch at twice the speed of other machines as well as reducing consumable costs. The X100 is particularly effective for fast notching of stainless steel without discolouration.

Features

- Cost effective notching solution.
- Accurate.
- Saves welding and finishing time.
- Notches aluminium, mild steel and stainless steel.
- Ideal for boat building, hand rails, specialised vehicle frames, food process industry etc, etc.
- Superior finished end product resulting in satisfied customers.

Technical Specification

MODEL	X100
Capacity mm	20 - 76
