

Morgan Rushworth ASBR 2100/200 Powered Sheet Bending Rolls

Stock Code: M3031

The powerful Morgan Rushworth ASBR models feature induction hardened rolls as standard. Motorised side roll up and down translation ensures easy pre-bending of material. ASBR machines are available up to 3100mm bending width.

Features

- Top roll to slip
- Heavy duty strong welded steel construction
- Motorised side roll for up and down translation
- Induction hardened rolls
- Asymmetric roll configuration
- Cone bending device
- High powered production range

Options

- Powered lower roll up and down movement for pinching
- Extended rolls for profile bending
- DRO for side roll position
