

## Meyer SR50VAE Pillar Drill

**Stock Code:** 18044

**SR50VAE Pillar Drill Machine** is a powerful and dependable choice for heavy-duty drilling tasks. Known for its outstanding build quality, it delivers both durability and precision, making it a preferred option for professionals worldwide. Constructed with premium components and engineered to the highest standards, the SR50VAE guarantees reliable performance even in the most demanding conditions.

Equipped with advanced features such as auto-feed drilling, tapping, and variable speed control, the SR50VAE provides exceptional versatility. When combined with an ER32 Collet Milling Kit and a Universal Cross-Table, it can also handle light milling operations with ease—making it a valuable asset for industrial applications.

Features

- Geared head
- Exceptional heavy construction
- Large work tables
- Auto tool release
- Eye shield with interlock switch
- Low voltage lamp
- Rise and fall table
- Rise and fall head
- Forward and reverse
- Coolant
- Auto feed
- Tapping Facility
- Digital Read Out of live RPM count
- Variable Drill Speed

Options

- Morse Taper to Weldon Adaptor
- Drill Press Vice: 18009
- Universal Cross Table: 18047
- ER32 Collett Milling Kit
- DC Injection Brake
- Dead Man Foot Pedal
- Foot Pedal Emergency Stop

Technical Specification

|                      |                      |
|----------------------|----------------------|
| MODEL                | SR50VAE              |
| Capacity mm          | 50                   |
| Column Dia mm        | 180                  |
| Spindle Taper MT no  | 4                    |
| Motor kW             | 3                    |
| Speeds rpm           | 50 – 2200 (variable) |
| Spindle Stroke mm    | 240                  |
| Work Table mm        | 580 x 460            |
| Base Plate mm        | 440 x 450            |
| Throat mm            | 360                  |
| Coolant              | Standard             |
| Auto Feed            | Yes                  |
| RPM Digital Read Out | Yes                  |
| Tapping Facility     | Yes                  |
| Auto Feed            | Yes                  |
| Length mm            | 980                  |
| Width mm             | 650                  |
| Height mm            | 2370                 |
| Weight kg            | 655                  |
