

## Meyer SR70TAE Drilling Machine 415v

**The Meyer SR70TAE Drilling Machine** stands as the flagship of Meyer's heavy-duty range. Built with premium components and engineered for maximum durability, it upholds Meyer's worldwide reputation for strength, reliability, and precision. Trusted across industries, it delivers consistent performance in the most demanding applications.

As the largest pillar drill in the lineup, the SR70TAE offers auto-feed drilling, tapping, and variable speed control for superior versatility. When combined with an ER32 Collet Milling Kit and Universal Cross-Table, it can also handle light milling tasks with accuracy and efficiency, making it a powerful all-in-one solution for industrial operations.

## Features

- Geared head
- Exceptional heavy construction
- Large work tables
- Auto tool release
- Eye shield with interlock switch
- Low voltage lamp
- Rise and fall table
- Rise and fall head
- Forward and reverse
- Coolant
- Auto feed
- Tapping Facility
- Digital Read Out of live RPM count
- Variable Drill Speed
- Touch-Screen Control

## Technical Specification

|                      |                      |
|----------------------|----------------------|
| MODEL                | SR70TAE              |
| Capacity mm          | 70                   |
| Column Dia mm        | 220                  |
| Spindle Taper MT no  | 5                    |
| Motor kW             | 5.5                  |
| Speeds rpm           | 38 – 1230 (Variable) |
| Spindle Stroke mm    | 270                  |
| Work Table mm        | 600 x 600            |
| Base Plate mm        | 636 x 490            |
| Throat mm            | 420                  |
| Coolant              | Standard             |
| Auto Feed            | Yes                  |
| RPM Digital Read Out | Yes                  |
| Tapping Facility     | Yes                  |
| Auto Feed            | Yes                  |
| Length mm            | 1220                 |
| Width mm             | 650                  |
| Height mm            | 2820                 |
| Weight kg            | 980                  |

## Options

- Morse Taper to Weldon Adaptor
- Drill Press Vice: 18009
- Universal Cross Table: 18047
- ER32 Collett Milling Kit
